IN HONOUR OF THESE LOST SOULS

Trenches and obstacles the evil horrors of warfare
are here for you to experience and shout "NO MORE WARS".

I believe that Mrs May & Mrs Merkel should together be the peace makers.
Negotiating with Russia, Iraq, Iran, Syria, Turkey, North Korea.
Before 1914 the world was at peace for 50 years.

I am campaigning to Gavin Williamson and Theresa May.

The race of happiness

I decided to advertise in Wolverhampton Magazine because its quality readership will connect me with all of the beautiful mannered willing people, who helped me set up the marathon in 1982.

Remember? 1981:- Toxeth, Wolverhampton, Brixton, the 3 hot beds of racial violence – National Newspaper Headlines.

Runners brought peace, Wolverhampton is the world best Multicultural City.

1982 – Police on Marathon Duty seeing all of the towns people come out of their shuttered homes in March sunshine on the streets cheering the runners, a policeman remarked 'Hard to believe that last year we were in riot gear'.

Keith Parker, the late great Editor of Express & Star named it 'The Race Of Happiness' and called me to his office for tea and said 'It was too successful, it will be hard to better this'. I went on to promote Marathons in all Cities in Britain, organising rules and objectives with an iron hand.

Chris Brasher named me

'**The Prickly Conscience Of The Race Organiser**' and **JOURNALISTS!**

I come home today to find that I am more well known in Costa Rica, China & Greater Germany than my own back yard.

Next Magazine Issue

I will expose my formula:- **Life Begins At 70 Years Old.**

Which I have devised with personal effort and experience for millions, who cannot rise from a chair without help. How to live the next 70 years in good health, actively, peace, harmony and perfect wisdom for our next generations. A small donation will give this fabulous guidance and specialist energy formula.

I will expose WORDES - World ORunners Disciplined Equality Society, also WORMS - World Orunners Membership Society which I have created to promote and fund to bring millions of beautiful people together for one purpose

'Can Sport Bring Peace To This World'.

I welcome your support?!?!.
